Morse, Andrew Kahler

If you did not sign in at the meeting, your name will not appear here

Meeting was called to order @ 7:00pm by Dan Lance.

Dan Lance asked for introductions of any new faces. Josh Silver who drives a TJ and was at the Perm clean-up was in attendance.

Dan asked if anyone had a chance to read the minutes from last meeting. Everyone thought they were okay. Charlie motioned to accept them and Corey seconded it.

Dan announced that there are window stickers for sale. See Carrie after the meeting.

Dan Lance announced that there were Alaska Extreme 4x4 movies for sale made by Noah Miller. Donations of \$15 may be made for them.

The ARB clinic went well. People said they learned alot, the pizza was great, and the speaker was great! He showed all kinds and showed tests done on them.

Chris Woods sent a set of IPF lights valued at \$275-\$300 to be raffled off at the Mt and Greet 2005.

The Fur Rondy parade went very well. Next year we need to be sure to have some sort of signage to show who we are. Bear Paw is our next scheduled parade. There are more vehicles allowed in that parade.

Dan asked for run reports. Some had gone to Point McKenzie to the glacier.

Scott is at a 4 wheel/ATV meeting tonight with reps from Mat-Su wetlands.

Carrie did a treasury report. A check was written to pay the state fee for information change on the incorporation change, see Carrie for more details.

A discussion was started by Carrie and Dan about Membership Dues that were due no later than February 21, 2005. There were emails sent out reminding people to pay on time or, per bylaws, they membership would expire. There were multiple people at this

meeting that came to pay their dues. A long discussion was had on paying them on time and how long people should have to pay them after the due date of January 1. A motion was made, seconded and accepted, to allow those present tonight to pay theirs with out penalty. From here we will follow the bylaws in that any members not paid will have to start the membership process over.

Dan brought up that the club had expressed interest in other possible community service projects. Someone brought up Challenge Alaska and that their insurance would cover any people from their organization that rode with us. Charlie will report back with details. Some one suggested the disabled vets or getting in contact again with AWAIC. The club lost their contact with AWAIC, but Stephanie Bird offered to explore this more. Stacey Hofler suggested working at a fair booth or ticket counter.

The Meet and Greet committee is ahead of schedule from last year. Responses from our sponsor letters have been coming in. We have received multiple donations of raffle items for the M&G. People are going to check on shelters and report back to the committee.

A discussion was had about potential raffle items for the club. Corey suggested ratcheting gear wrenches, Dave suggested a wireless winch control, Al suggested a "maxi-tool"--Corey is going to check on the prices and options for a maxi tool.

Jay discussed the possibility of having more club t-shirts printed. He just does not want to over order.

The meeting was adjourned by Dan Lance at 8:15pm.

Next Meeting: March 17, 2005 @ 7:00pm @ La Cabana on 4th Avenue in Anchorage.

Minutes by Carrie L. Lance
